Bahama Blue Granite

Caledonia Green Granite

■ NM1

An all polished black granite heart shaped memorial, which requires little in the way of maintenance. Shown with a gilded line and eternity ring illustration.

■ NM2

All Polished Black Granite Double Heart Memorial with an Ornate Rose Etching Up the Centre and Scroll Effect at the Bottom. A Wider Memorial Which Is Used For a Double Lair. This Is One Of Our All Polished Range That Requires Little In The Way Of Maintenance.

■ NM3

Traditional hand crafted memorial shown in black granite with deep hand carved Celtic knot work. The edges have a rustic finish and the face is polished with a rustic margin.

■ NM4

Hand carved thistle on premium vizag blue stone.

■ NM5

With a sanded finish to the front surround edges of the head and the base, this is an otherwise all polished Dark Grey Granite.

■ NM6

This square edges memorial in dark grey granite has a polished face with sanded edges. It displays an example of a carved robin.

■ NM7

A gothic shaped memorial in dark grey granite. This stone has a polished face with sanded edges. Shown with deep hand carved celtic knot work.

■ NM8

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. Due to the simple and plain nature of this headstone this is an extremely popular choice.

■ NM9

This is a new memorial to our range which has a polished rope edge surround, giving a simple but stylish finish to this all polished black granite headstone.

■ NM10

This memorial in Caledonian Green granite requires little in the way of maintenance with an all polished finish. The polished chamfer across the top and down the sides enhances the shape of this already distinguished memorial, which also shows a gilded cross design.

■ NM11

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a choice of ornamental etchings and carvings are available to suit. The design show here is of a carved gilded cross entwined with a red rose.

■ NM12

A simple but traditional memorial shown in dark grey granite with rustic edges on both the headstone and the base, with a polished finish to the face of the headstone and the top of the base.

■ NM13

A traditional hand crafted rustic memorial in Light Grey Granite. Raised front panel with rustic edges.

■ NM14

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. Due to the simple and plain nature of this headstone this is an extremely popular choice. Seen here with a carved thistle design.

■ NM15

A traditional hand crafted rustic memorial in Royal Red Granite.

■ NM16

A Dark Grey Granite stone with a raised panel on the front with rustic edges. The front panel also has a rustic margin.

■ NM17

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. A polished chamfer across the top and down the barrel sides enhances the shape of this headstone.

■ NM18

All polished bench available in black or grey. Can be manufactured to size.

■ NM19

This Memorial Would Be Ideal For A Music Lover. Finished Off With Silver Or Gold Detail And Cut With A Splayed Or Block Base, The Upright Guitar Provides Space For 2 or 3 Inscriptions

■ NM20

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. Due to the simple and plain nature of this headstone this is an extremely popular choice. Seen here with a carved landscape design.

■ NM21

A traditional hand crafted memorial in light grey granite with a polished face shown here with deep carved Celtic knot work.

■ NM22

Styled as a book, this memorial shows the spine in Bahama Blue and the rest in Black Granite. This is an all polished stone which requires little in the way of maintenance and is very pleasing to the eye.

■ NM23

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a wide choice of ornamental etchings and carvings are available to suit. A design of an accordion is shown in this example.

■ NM24

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a wide choice of ornamental etchings and carvings are available to suit. With red roses in the top corners and a gilded border around the stone shows a slightly different style of design. The kerb sets shown are also optional.

■ NM25

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. A wider than average memorial, this would normally be placed over two lairs.

■ NM26

A rustic edged memorial with a curved top shown in black granite. The polished face has a simple cross entwined with an etched outline of a rose.

■ NM27

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. Due to the simple and plain nature of this headstone this is an extremely popular choice. Seen here with a dog etching.

■ NM28

All Polished Black Granite Memorial With Celtic Cross To The Left Making This Very Detailed And Distinctive Both With Regards To The Shape

■ NM29

A substantial memorial in black granite with polished face and rustic edges. The base has a polished top and polished front panel which can be used for a family name.

■ NM30

Bahama Blue Granite Temple With Columns Shown with Optional Kerb Set.

■ NM31

Black granite book memorial with carved cord and tassel, and carved rose designs on either side. There is also a rectangular vase on the centre of the base.

■ NM32

Memorial in White Carrara Marble with beautiful carved leaf design at the top.

■ NM33

Light Grey Granite square edged rustic memorial with checks at the top corners. The face and top of the base have a polished finish.

■ NM34

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a wide variety of carvings are available to suit. A polished chamfer across the sloping top and down the barrel sides enhances the shape of this headstone.

■ NM35

A beautifully shaped memorial with a polished groove running round the outside of the headstone and two hearts at the top. With an all polished finish this headstone requires little in the way of maintenance. The Bahama Blue granite makes this a very unusual and distinctive headstone.

■ NM36

A slightly smaller light grey granite headstone with a polished face and sanded edges. There is a subtle curve to the top of the memorial which keeps it simple but pleasing to the eye.

■ NM37

This memorial in Bahama Blue granite has a raised front panel with rustic edges. This memorial is a classic design and with the Bahama blue granite it is a very eye catching stone.

■ NM38

A traditional hand crafted memorial in light grey granite with a polished face and rustic edge shown here with deep carved Celtic knot work.

■ NM39

Large striking memorial in Royal Red Granite, with an all polished finish that requires little in the way of maintenance. The polished chamfer across the top and down the sides enhances the shape of this memorial.

■ NM40

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a wide variety of ornamental carvings available to suit. A polished chamfer across the sloping top and down the barrel sides enhances the shape of this headstone.

■ NM41

All polished Caledonian Green Granite memorial with prominent Celtic cross to the left making this very distinctive both with regards to the shape and also the colour. This memorial requires little in the way of maintenance.

■ NM42

This is a Bow top memorial with splayed edges. Pictured in Light Grey Granite.

■ NM43

This is a unique shaped memorial. Pictured in Bahama Blue granite with a lovely deep carved rose design at the top of the stone which really makes this stone stand out from others.

■ NM44

A larger memorial hand crafted in a traditional style. This is a double width memorial in dark grey granite. The edges have a rustic finish and the face is polished with a rustic margin. Deep hand carved celtic knot work is shown at the top.

■ NM45

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. The versatility of this range means a more personal tribute can be made and a wide choice of ornamental etchings and carvings are available to suit. This example shows a dove of peace at the top centre.

■ NM46

Polished black granite with a traditional hand crafted Celtic cross in Light Grey Granite with deep carved celtic knot work.

■ NMC1

A teddy shaped memorial in Dark Grey Granite, with teddy features etched onto the stone. The headstone has a polished face and rustic edges, with the base having a polished top and rustic edges.

■ NMC2

Blue Pearl Granite memorial with a polished finish to the headstone and base. The teddy peeking out from behind the headstone is carved from the same piece of granite.

■ NMC3

This memorial is one of our all polished black granite range, which requires little in the way of maintenance. This shows etchings of a teddy sitting in the moon offering his paw to his friend below.

■ NP01

Light grey granite plaque with the back wedge incorporating a flower holder. The plaque sits on its own base.

■ NP02

Black granite book marker with top ledge incorporating a flower holder. The books pages are shaped and curved and there is a carved cord and tassel down the centre of the pages.

■ NP03

All polished black granite desk style marker with optional flower holder at the top ledge.

■ NP04

Light grey granite all polished desk style marker with optional flower holder at the top ledge.

■ NP05

Black Granite, Rustic edge square shaped plaque.

■ NP06

Light Grey Granite, Rustic Edge square shaped plaque.

■ NP07

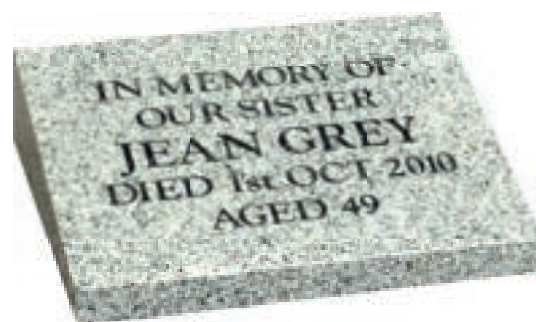

Red Granite, Rustic edge square shape plaque.

■ NP08

Black All Polished Granite Memorial Wedge.

■ NP09

Light Grey All Polished Granite Memorial Wedge.

■ NP10

This is a Black Granite plaque memorial mounted on its own stand. Pictured in Black Granite with silver lettering, perfect for one name or to sit in front of other stones.

■ NP13

A small book style memorial which is perfect for 2 names or for a short verse in memory of someone. Pictured in Black Granite with Silver text.

■ NP11

This curved plaque comes with a hidden stand behind the plaque which allows it to sit upright in front of a bigger stone. Pictured in Light Grey and Black Granite with Gold Lettering this stone is perfect for one name or additional information from a bigger stone.

■ VASE 1

All polished black granite small vase.

■ NP12

■ VASE 2

Light Grey all polished granite cube vase.
